STATINTL

The papers on your nephew, [redacted], were returned to me today by the Personnel Director after having been shopped around considerably.

STATINTL

As you know, due to [redacted] eligibility for military service the possibilities of using him here are somewhat limited. However, if there should have been any interest in him it would almost certainly have been necessary for him to come to Washington in order to close a deal with any of our offices. It is most unusual for them to hire without a personal interview.

STATINTL

Accordingly, if [redacted] is coming to Washington at any time I suggest that he come over to see us, and if you will put him in touch with me personally I will insure that he is given every possible consideration.

Sincerely,

L. K. WHITE

Note: Col. White returned to Acting Pers Dir this date file on [redacted] Davidson with following note:

STATINTL

" I will advise [redacted] that we are unable to show any specific interest in this candidate at the moment and suggest that [redacted] drop in for a personal interview and further consideration at any time that he is in Washington."
